School Uniform

At St Mary's we are proud of our school uniform and the sense of belonging it creates. We also recognise the importance of keeping uniform affordable for families, in line with the Government's policy on reducing school uniform costs.

To support this, only three items of uniform are required to be bespoke to St Mary's:

- school jumper/school cardigan
- school PE polo shirt
- school tie with Smart Uniform

Any other logoed items are entirely optional.

We want every child to be able to take part fully in our active learning culture. For this reason, we have a day-to-day uniform for regular school use, and children in Years 1–6 also have a smart uniform for specific occasions such as events, services, and performances. We believe it is beneficial for children to understand the value of dressing smartly for special occasions, as it helps them to show respect, take pride in their appearance, and recognise the significance of important events.

The required St Mary's logo items can be purchased directly from our supplier here: [St Mary's Uniform – Beat School Uniforms](#)

All other uniform items can be bought from a variety of shops.

Please refer to the specific uniform list below -

Shoes:

Children are required to wear proper school shoes. Shoes that look like trainers or ankle boots are not allowed. Slip-on shoes are not permitted as they can be dangerous when playing or climbing. If your child cannot tie shoelaces, they must wear shoes with velcro straps. If your child needs different supportive footwear for medical reasons, a medical note from a specialist will be required.

Black shorts or black skirt

St Mary's Black zipped hoodie with school emblem or plain black zipped hoodie

Black tracksuit bottoms

Plain white or black trainers (velcro if unable to tie shoe laces)

White ankle socks

Non-uniform days

Non-uniform days are always a fun and exciting part of school life. While we encourage children to express their individuality, it is important that their clothing choices are still practical, safe, and respectful of our school community. To support this, we ask families to follow these simple expectations:

No large branding or logos

We want non-uniform days to be inclusive and free from pressure to wear expensive or fashionable labels. This helps ensure all children feel comfortable and equal.

Sensible footwear

Trainers, closed shoes or other sturdy footwear should be worn. Our active learning approach means children are often moving, playing, or learning outdoors, so footwear must allow them to join in safely.

Clothing suitable for the weather

Children should be dressed appropriately for the season — with coats in colder weather, hats in the sun, and layers if needed. This ensures they can enjoy the day comfortably and safely.

No midriffs or strappy tops

Outfits should be modest and practical, so no cropped tops or thin strap tops, as these are not suitable for an active school environment.

By following these guidelines, we make sure non-uniform days remain fun and enjoyable for everyone, while keeping our focus on active learning, safety, and inclusivity.
