\*\*In 2024, our writing results do not reflect the strong progress and outcomes we usually see at St Mary's. This was a one-off situation caused by several unique factors:

- A high proportion of pupils joined us partway through Key Stage 2, many of whom required additional support.
- Nine pupils had a diagnosis of dyslexia, and several others had additional SEND needs.
- During external moderation, pupils' significant needs (for example, handwriting linked to SEND such as dyslexia or ASD) were not accepted as allowable weaknesses, despite

this being permitted in the national guidance. We raised a formal complaint about this process.

While the published data shows a dip, it is important to note that our pupils made good progress from their starting points.

### **Year One Phonics Screening Check**

	2022	2023	2024
School	69%	85%*	93%
National	75%	79%	80%

\*New Phonics programme - Unlocking Letters and Sounds

### **Early Year Foundation Stage**

		2022	2023	2024
% of pupils achieving a Good Level of Development	School	70%	75%	76%
	National	65%	67%	68%
% of pupils at the expected level across all early learning goals	School	80%	89%	76%
	National	63%	66%	66%
Average number of early learning goals at the expected level per pupil	School	15.2	15.9	14.4
	National	14.1	14.1	14.1
