

# Marvellous Me

25.9.2026

Sometimes I wonder how we manage to pack so much into our week!

We've drawn pictures of our families, learnt four more phonic sounds, written on whiteboards in Phonics for the first time, and had a visit from the Eyebrows of Doom!

We read our second special story, Hairy Maclary from Donaldson's Dairy, with some children even getting to hold the characters. It was lovely to see so many of you at the prayer service. It really has been a wonderful week!

Next week our story of the week will be Oliver's Vegetables by Vivian French. We will be:

- Learning the phonemes g, o, c, k
- Writing shopping lists
- Tasting and exploring lots of different vegetables
- Learning a harvest song (Harvest Samba  
<https://www.youtube.com/watch?v=Wz35-08I9d0> )
- Making our own fruit kebab
- Learning how to cut fruits safely
- Printing with fruits and vegetables
- Sorting and matching in our Maths learning e.g. how many different ways can you sort the fruits?

## PE

PE day will be on Wednesday. Children should come into school this Wednesday, the 30th, wearing their PE kit.

## Autumn Objects

We are still welcoming autumn objects into school. If your child finds something interesting while out and about, they are welcome to bring it in to share with the class.

## Piece of Fruit

We would like each child to bring in one piece of fruit so that we can make fruit kebabs in school. Each child should only bring one piece of fruit, e.g. one orange or one apple. They can bring their favourite fruit or something more unusual that they would like to try, such as watermelon or passion fruit. Please send the fruit into school on Monday 28th September.

Reception are not going to the Harvest Church service,

Hope you have a lovely weekend,

Mrs Crilly, Mrs Budd, Mrs Norman and Mrs Dovbenko
