Marvellous Me

This week, we have had lots of fun drawing the Evil Pea! The children showed off their wonderful imaginations, creating all sorts of unique characters, from enormous Evil Peas and rainbow Evil Peas to even a girl Evil Pea! We also had an exciting delivery of a brand-new sandpit, and some of the children enjoyed helping to fill it with our lovely new sand. Our old sandpit area has now become a digging area, providing even more opportunities for outdoor exploration and imaginative play. With all this digging and exploring, we have also been reminding the children about the importance of wearing waterproofs when playing in muddy areas. There has certainly been lots to keep us busy!

Next week our story of the week will be *Coming to England* by Floella Benjamin. Some of the learning will include:

- Spotting differences between the weather in Trinidad and England
- Learning the phonemes l, ll, ss
- Writing initial sounds and CVC words
- Looking at the art of Alma Thomas
- Comparing amounts and using the language 'more than' and 'fewer than'

Parents Evening

I look forward to seeing you at parents evening on Tuesday or Wednesday. An Autumn Term progress report will be sent out before the evening to support our discussions. This is also a chance to look at your child's learning journey folder and writing book.

PE kits on Wednesday.

Library books are due in on a Friday.

We hope you have a lovely weekend and enjoy hearing all about your child's adventures and discoveries this week!

Mrs Crilly and the Reception Team
