## Marvellous Me

The class have had another busy week. On Tuesday we took part in our Praying-In service and it was lovely for the children to hear the school choir. The children's independence in walking into school independently has grown and do continue to talk to your child about how impressed you are with them.

Next week our story of the week will be Oliver's Vegetables by Vivian French. We will be:

- Learning the phonemes g,σ,c,k
- Writing shopping lists
- Tasting and exploring lots of different vegetables
- Learning a harvest song (Harvest Samba <https://www.youtube.com/watch?v=Wz35-0819d0> )
- Making our own fruit kebab
- Learning how to cut fruits safely
- Printing with fruits and vegetables
- Sorting and matching in our Maths learning e.g. how many different ways can you sort the fruits?

### **Piece of fruit:**

We would like the children to each bring in 1 piece of fruit so that we can make fruit kebabs in school. Each child should only bring in 1 piece e.gg. 1 orange, 1 apple. They can bring their favourite fruit or a more unusual one they would like to try e.g. watermelon, passionfruit. Please send the fruit in on **Monday 29<sup>th</sup> September**.

Please keep practising key independence skills: getting dressed by myself, putting my shoes on, putting my coat on, zipping my coat up, wiping my bottom after a poo.

Reception are not going to the Harvest Church service,

Have a great weekend and thank you for all the continued support,
